

# HOME FAMILY BIBLE STUDY

**TIP:** Remember to begin and end with prayer, as well as plant your seed offering. It may be helpful to have someone read the scriptures in the King James Version (KJV) and another the Amplified (AMP) version for better understanding.

**Topic:** **You Can Handle It...By Faith**

**Introduction:** Last Sunday the message was based upon Luke 8:43. Tonight, we will review brief excerpts from this message.

The word of God tells us that indeed, we are living in the last and evil days where the body of Christ is facing all kinds of issues each day—be it spiritual, physical, emotional, or mental. In addition, because of our adversary, there are also issues plaguing the land. The question is, as believers, how do we handle these issues in accordance with God's word? How do we get answers to hard questions, victory in tough battles, and those things which seem impossible made possible?

**Luke 8:43-48**

**Discuss:**

Fortunately for us, throughout the Bible we see examples of people, some of whom had major issues, yet they were able to conquer them. We are shown in **Luke 17:19, Luke 18:42, Matthew 8:13, and Mark 5:34** Jesus challenges them concerning how to get their issues resolved.

In **Luke 8:43-48**, describes a woman that had a physical issue who needed healing. No one could help her and after struggling with this issue for 12 years, she did not get better but worse. Note that she was also ostracized and considered an outcast, because according to the law she was seen as unclean. Can you imagine how she must have felt? Nevertheless, not all hope was lost. The woman heard about the miracles Jesus was performing and thus made up her mind, according to the scriptures, that if she could touch the hem of Jesus' garment, she would be made whole. As a result, she pressed into the crowd, touched Jesus, and immediately was made whole. For over twelve years, nothing else cured her issue but it was ultimately her faith that gave her the victory.

**The Point:**

One of the ways we can solve our issues according to the scripture is by our faith in God! By faith and with faith, no matter what the problem is, big or small, seemingly impossible, when we release our faith in an almighty God, miracles happen, and problems are solved! Faith is your currency to accessing what you need from heaven. What are some issues confronting you today? **You can't handle it but your faith in God can!**  
**Read Hebrews 11:1-12.**
